Please review our new experience guidelines, implemented with your safety in mind!

**SOCIAL DISTANCING IN EFFECT**

*For your protection and ours...*

We’re observing six-foot social distancing standards — please look to the signage for guidance.

**KEEPING IT CLEAN**

*All Gibbes team members are wearing masks...*

Hand sanitizer stations are provided throughout the Museum for your convenience.

We’re sanitizing all touched surfaces, including handrails, door handles, and interactive spaces. Antiviral sweeps using CDC approved cleaning solutions will be conducted every hour.

**YOUR CONCERNS ARE OUR PRIORITY**

*We’re here for you...*

Please connect with a Gibbes team member to learn more about our efforts to keep the Museum safe. Thank you for visiting the Gibbes and we hope you enjoy your experience!

Art is the Reason.
PLEASE NOTE:
A few reminders before entering the Museum:

- do not enter if you have a cough, fever, or feel generally unwell
- maintain a 6-foot distance from others
- sneeze and cough into a cloth or tissue
- do not shake hands or engage in any unnecessary physical contact
- Gibbes team members must wear face masks, and we encourage our visitors to wear face coverings as well
- hand sanitizer stations are provided throughout the Museum for your convenience
- antiviral sweeps are conducted every hour to ensure that all touched surfaces are routinely sanitized

Thank you for understanding!
— YOUR GIBBES FAMILY
